### 1. Parties Affected

This policy applies to the Alaska Workforce Investment Board (AWIB) and Division of Employment and Training Service (DETS) staff, subrecipients of Workforce Innovation and Opportunity Act (WIOA) Title I-B Youth funds, and participants.

### 2. Background

WIOA Title I-B programs allow for support services to be utilized by Adult and Dislocated Worker Program participants engaged in career and training services, and WIOA Youth Program participants engaged in career, training and follow-up services. Supportive services may include, but are not limited to, assistance with items such as transportation, child care, dependent care, medical and dental care, housing, food, and utilities payments that are necessary to enable an individual to participate in program services.

### 3. Policy

All support services must be identified in the participant's Individual Employment Plan (IEP) or Individual Service Strategy (ISS). Support services are based on funding availability and may be provided when a participant experiences a financial need and is unable to obtain supportive services through other resources. The total amount of supportive service that a participant may receive cannot exceed the established limit determined annually.
