RE: CHASE Blue Approval

Dear Mr. Hickel

I am pleased to approve Roger Hickel, into the Alaska Occupational Safety and Health (AKOSH) Construction Health and Safety Excellence (CHASE) Program.

Your acceptance as a CHASE Blue member shows the strength of your commitment to having a safe and healthy workplace. Your ongoing work to continually improve your safety and health program demonstrates this commitment and sets a role model for others. We encourage you to share what you have learned with other employers to assist them in growing their safety culture.

Participation in CHASE does not, of course, diminish any of the rights and responsibilities provided to you and your employees by the Occupational Safety and Health Act of 1970. Although your company will be placed on a lower priority general scheduled inspection list for enforcement from the date of this letter, employee complaints, fatalities or catastrophes, and significant chemical leaks or spills at your site will still result in normal AKOSH enforcement activities.

If you have questions or need assistance, contact Michael Flint of the Anchorage AKOSH office at (907) 269-4941 or by email at michael.flint@alaska.gov. Mr. Flint will be working with your staff on specifics for the CHASE Blue certificate delivery and CHASE ceremony.

Congratulations for your hard work and dedication to the principles embodied in CHASE. I wish you and your employees continued success in your safety and health efforts.

Sincerely,
